The Legend of The Three Trees is a timeless retelling of the classic folktale of three distinct trees, each with its own hopes, dreams and aspirations. We follow a beautiful olive tree blossoming in the valley, a knotty oak tree clinging to the shore and a strong pine standing high on the mountainside. They each dreamed of becoming great - perhaps a majestic treasure chest, or a magnificent sailing ship or maybe the tallest tree in the forest. But their dreams didn't seem to come true. Disappointed and dejected, the trees despair about their existence until they each finally interact, in their own unique ways, with Jesus Christ in His birth, ministry and ultimate sacrifice. In these experiences, they learn that God has a special purpose for each of them in His kingdom.
