

# FAMILY PRAYER ADVENTURE JOURNAL

Do you feel like going deeper in your prayer adventure? Our 24 page, full colour A4 prayer journal is here to help!

Like the map it follows the 11 daily themes of Thy Kingdom Come. There are puzzles, activities, Bible stories, prayer ideas and ways you can connect your prayers to your daily life. There is also lots of space for you to add your own drawings and thoughts, really making this journal your own.

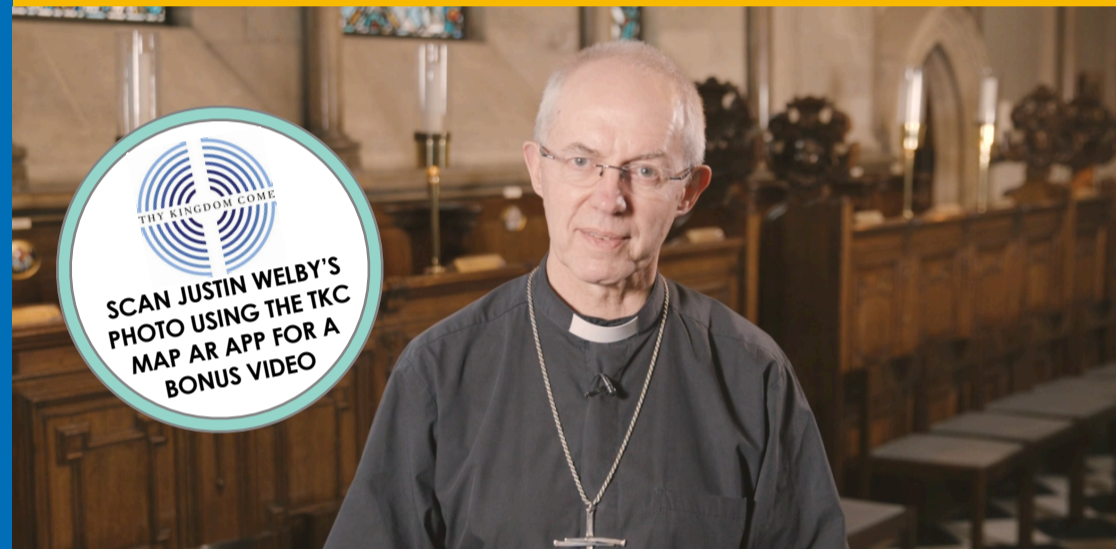

These are ideal for a family to engage with together. Get hold of them for your own household, or share with friends at church, school or toddler groups.

You can get hold of these from:

## NOTES

Jot down what you are praying about each day and share with others.

Are there places on your map that make you want to say "Wow", "Please" or "Thanks" to God? Add those words as prayers on to your map.

## BONUS ACTIVITY

Draw your own mini prayer adventure map! On the grid below draw your home, school or nursery and other places that you visit.

Thy Kingdom Come gives us an exciting opportunity to join with others across the world in prayer and to ask God to be at work in the lives of people who don't yet know Him.

Excitingly this year, there are brand new digital activities designed to engage children using interactive and immersive technology that is easily accessed through a smartphone. These activities will use this generation's love of digital gaming by using Augmented Reality as a tool to help them to grow in their faith in Jesus.

We hope you enjoy using the daily reflections, the activities on the map and the digital activities as you explore God's heart for others: join all those praying during 21st May - 31st May 2020.
