The Trinity Puzzle

By Nathan, aged 6 from Upton St Leonards Primary School

Nathan wrote: "I chose a puzzle to understand that the Trinity is made up of 3: God father (I painted an everyday dad for us all) God the son. (I Painted baby Jesus in a wooden cradle with the big star): God the Holy Spirit (I painted Fire.) However, at the same time all three are representing God. I chose the shape of a heart because God Is love.
