

What's Great About Us

Mosaic Federation

Mosaic Federation was established in 2017 bringing together Valley View Primary School and Hedworthfield Primary School and Hedworthfield Language Unit in a partnership which would see both schools work collaboratively, share resources and expertise to ensure outstanding education and care for all children within the federation.

Mosaic Federation was chosen as our name as each piece of a mosaic represents each individual child in our care and our commitment to ensure each child reaches their full potential and is ready for the next phase of their journey and beyond..

Mission:

Our mission to bring together educational excellence utilising the highest quality of teaching and learning, an inspirational curriculum which engages and prepares learners for their future and an inclusive and care based ethos to ensure all children have access to outstanding provision which prepares them fully for life.
