

Enterprise Curriculum

Enterprise Curriculum			
09/21	The Enterprise Curriculum is for a small group of students who are unable to access a traditional curriculum. Depending on their needs, students can choose 1 or 2 of their optional subjects with more time dedicated to Maths and English. They will also be accessing the ASDAN curriculum. There is a teaching member of staff and a Learning support assistant at all times with this class.		
	<ul style="list-style-type: none"> - Extended careers guidance - Continued focus on emotional intelligence and resilience - Opportunities for interview practice - SMSC focused on Citizenship/British values 	<ul style="list-style-type: none"> - Intensive English and Maths support 	<ul style="list-style-type: none"> - Vocational courses e.g. Hair and Beauty, Motor Vehicles
Futures Programme			
<p>The futures programme is a bespoke offer for a small number of students that are not ready to progress into further education at the end of year 11. It was designed and continues to adapt to meet the needs of a bespoke group annually to reduce the likelihood of NEETs. With the support of Local Authority, we provide (depending on need) supported apprenticeships/work experience, job coaching, Functional Skills in Maths and English and BTEC qualifications.</p> <p>The intention of this programme is to increase confidence, gaining qualifications and increasing their resilience to prepare students to progress onto the next stage of their education or into employment.</p>			
	<ul style="list-style-type: none"> - Work experience - Job coaching - Interview practice - Career related qualifications e.g. Health and Hygiene, 1st Aid at Work 	<ul style="list-style-type: none"> - Functional skills at an appropriate level according to qualifications on entry. - Level 1 Prince's Trust PDE 	<ul style="list-style-type: none"> - Range of vocational courses leading to a Level 1 BTEC Vocational certificate.

Maths in Enterprise

The students are currently following a KS3 scheme of work and this is taught through 4 hours a week of Maths lessons. Most students will be entered for their Maths GCSE qualification alongside Entry level qualifications where appropriate.

English in Enterprise

The students are focusing on key English skills particularly their written English through a focus on vocabulary and sentence structures and their reading and inference skills. Students are working towards their entry level Step Up to English qualification as well as their eventual English language GCSE. They are taught 5 times per week.

ASDAN

The students will be following the Personal and Social Development qualification, working towards an Entry level 3 Certificate. The Personal and Social Development (PSD) qualification offers imaginative ways of supporting young people in:

- becoming confident individuals who are physically, emotionally and socially healthy
- being responsible citizens who make a positive contribution to society and embrace change
- managing risk together with their own wellbeing.

Evidence towards their qualification will take many forms, for example: evaluations, notebooks; records; posters; leaflets; action plans; tutor observation and witness statements; photographic/digital.
