

The Friday Letter

Dear Parents/Carers,

Last night we held a Year 7 Settling-In Evening which was attended by many parents and carers. The event started with a wonderfully reflective Mass with beautiful readings and string singing from our year 7 students. This was followed by the opportunity for parents/carers to talk with staff about how their child has settled in at Cardinal Wiseman. I would like to thank everyone involved in this additional evening which has helped to strengthen our links.

Mr Kelly

This week we have had to say goodbye, very suddenly to Mr Kelly. He is very unwell and will be starting treatment for a serious condition. The treatment itself will make him vulnerable and because of this school is not a healthy place for him to be. He has been a wonderful member of staff and a great supporter of our school and we will miss him greatly. He and his family are in our thoughts and hearts as we pray for his recovery.

Student Chaplaincy Team

Each year students from all year groups have the opportunity to apply to be part of the Student Chaplaincy Team; this team is growing in popularity every year with 53 members in the team for the academic year of 2013-14. As members of the Student Chaplaincy Team they will take part in a number of liturgical and charitable events, such as, Senior VIP summer and Christmas party, prayer vigil sleepover, mass at St Chad's, leading sacrament preparation sessions for primary schools and many more. This year we have nearly 80 members.

Instrumental Lessons

All of our year 7 instrumentalists have already been given the opportunity to continue with their instrumental lessons to continue their playing. Mr Gardner is now looking to hear from other students who are interested in having lessons perhaps for the first time.

We offer tuition on a range of instruments at a cost of £10 per term and in particular we have spaces for Woodwind (Flute and Clarinet) and beginner steel pan players. Anyone interested in having trial lessons should put their name down with Mr Gardner in the music room.

We also offer free extra-curricular activities for students interested in furthering their music education. Our Faith Choir meet after school on a Tuesday until 4:10 and on Thursdays after school students can attend our Garageband and Gigajam sessions looking at Music Technology, Keyboard, Guitar and Drums. All students are welcome!

Year 7 Trip to the National Space Centre

A reminder to parents of pupils in year 7 that the trip to the National Space Centre takes place on Tuesday 14th October. Pupils need to arrive at school between 7.50 and 8.00am in full school uniform and go to the hall. Pupils are to bring a packed lunch with them with the exception of pupils who are entitled to Free School Meals. We aim to arrive back at Cardinal Wiseman at

3.45pm which is slightly later than the normal finishing time.

Independent Learning Projects

Pupils in years 7 and 8 should be currently working on the following projects on a daily basis:

Year 7 - PE

Year 8 – Drama

They should spend approximately 15-20 minutes per day/2 hours per week on these projects.

Have a good weekend,

Yours sincerely

Christina Stewardson
