

Exam Results 2016 – Cardinal Wiseman Catholic Technology College

Cardinal Wiseman Catholic Technology College has achieved its biggest improvement in exam results in the history of the school.

Our headline figure for A*-C in GCSE English and Maths has increased by 23% to an impressive 54% this year. Headteacher Christina Stewardson says, "This is down to the talented team of staff who work with complete dedication and commitment to ensure the best results possible for our pupils. I congratulate all of our leavers who responded so well to their teachers to achieve these fantastic results and the parents and carers who supported them."

The three pupils with the highest grades are as follows:

LAFFERTY Thomas 11(11) - 8 A*s, 2 As and 1 B

GREANEY Connor 11(11) - 6 A*s, 4 As and 1 B

DOSUMU Mary 11(11) – 2 A*s, 6 As, 2 Bs and 1C

Top achievers: Connor, Mary and Thomas

Outstanding progress: Amy and Jeffrey

Both Thomas and Connor are going to Bishop Walsh Catholic School to study A levels and Mary is pursuing A Levels in Science subjects.

Our Progress 8 figure is +0.02 which is above the national floor target of -0.5. This is a new measure that shows the good progress that pupils make at Cardinal Wiseman. The following pupils made outstanding progress which is significantly better than the national average:

ASAJU Jeffrey achieved 11 A*-C grades with 7 of these grades being A*-A. This is particularly impressive considering that Jeffrey was newly arrived in the UK and joined the school in November 2014.

BRINDLEY Amy achieved seven A*-As, three Bs and one C grade.

SHEK Ashik achieved five A*-As, five Bs and one C grade.

The staff from Cardinal Wiseman would like to wish our leavers all the best in the future.

We have also been highly successful with our Year 10 students who took their Biology GCSE early and achieved 93% A*-C and 7% A*-A. Half of the year group also took RE and gained 95% A*-C and 21% achieved an A*-A grade.

All students in Year 9 took either a GCSE or BTEC qualification two years early and 71% gained a C grade or above. Well done to all!
