BY RYAN

## Who is he?

Anthony Oluwafemi Olaseni Joshua, (MBE) is a British professional boxer. He is currently a unified world heavyweight champion, having held the IBF title since 2016, and the WBA and IBO titles since 2017.

Born: 15 October 1989 (age 28), Watford

Height: 1.98 m

Weight: 113 kg

Reach: 82 in (208 cm)

Parents: Yeta Odusanya, Robert Joshua

Siblings: Jacob Joshua, Janet Joshua, Loretta Joshua

Joshua made astonishing progress through the amateur ranks. He won the national ABA championship in 2010, turned down an offer of £50,000 to go pro, and then was recruited to Team GB. There would, in the space of four years up to London 2012, be another ABA title and a world championship silver.

He moved at unprecedented speed, despite his most publicised clash with the law in 2010, when he was arrested in possession of 8 ounces of cannabis, while wearing his tracksuit from the Olympics.

## Lavish lifestyle?

Anthony Joshua lives the life of a millionaire, but he does not spend a penny doing so as, all his sponsors pay for everything like his private jets his expensive clothing cars nutrition and sports gear.

Did you know he still lives in a council house with his mother and son? He does not live with his ex-partner; he hopes to leave all he has with his son. He still lives in the council house so he does not forget where he stems from.

Although he travels around all the world, the athlete still has a very healthy diet and he still does training and conditioning while abroad. Anthony Joshua used to get in a lot of trouble when he was younger and then he joined Finchley ABC and his boxing coach took him off the streets and stopped him from getting in trouble and because of him he is who is today.

To show his appreciation he bought him a very nice BMW, which was his coach's dream car.
