

CARDINAL WISEMAN CATHOLIC SCHOOL

It is a great privilege to be the Headteacher of this school, somewhere I have committed to working at for a long time and that I care deeply about.

Cardinal Wiseman has a growing reputation for providing exceptional education facilities, outstanding pupil behaviour and a curriculum that is truly transformational, which means that our school is more popular than ever and heavily oversubscribed.

We are most proud of our strong Catholic and Christian ethos. This is why our admissions criteria gives priority to the admission of both Catholic and Christian children, as parents deserve the chance to send their child to a school where Christ is truly at the centre.

Our mission, Omnia Pro Christo, translates to 'All For Christ'. Our Wiseman Virtues provide the framework for our school community to help them to live out this mission, as these are the values taught and expressed in the bible by Jesus.

Our focus on virtues rather than just educational outcomes is what sets us apart. Our pupils are shaped by our ethos into being the people that God means them to be, enabling them to flourish in all aspects of their lives.

We highly recommend that you come and see what a wonderful community it is at Cardinal Wiseman Catholic School.

God bless,

Mr Robert Swanwick
