Dear Parent/Carer

Re: Closure of Worcester Avenue

I am writing to inform you that due to Tottenham Hotspur New Stadium Project and their requirement for the temporary closure of Worcester Avenue, we have to close the current entrance to our school on Worcester Avenue and place a new entrance where the school wall begins near St Pauls and All Hallows Primary School. This will come into effect on Monday 15th May. The Trulock Road entrance will be unaffected.

What will the road closure mean for our students?

All students coming along Northumberland Park Road will not be able to turn onto Worcester Avenue to come to school, there will be no access. All students and visitors must continue to walk along Northumberland Park Road and enter the school via the Trulock Road entrance. Students who come along Park Lane, via the High Road, will enter the school via the new entrance on Worcester Avenue. This new entrance will lead onto the school's Astroturf.

I do hope that students will leave home at least 10 mins earlier to take into account the new changes which may increase their journey to school.

Yours sincerely

Mr. C. Cameron
Assistant Headteacher
Student Personal Development and Wellbeing
