This socio-economic profile shields a positive and vital aspect of our academy's community. The academy's specialism is for the arts (English, Media and Art). The academy is fully integrated with the secondary base of the Vale Special Academy for children with physical disabilities and complex needs which share the campus and buildings.

Duke's Aldridge Academy is a member of the Aldridge Education family of academies. The link to the website is as follows: <http://aldridgeeducation.org/>

Duke's Aldridge Academy (formerly Northumberland Park Community School) was judged as 'good' in its last Ofsted inspection in November 2019. We have set ourselves the goal of moving from being good to being outstanding in all aspects.

Duke's Aldridge Academy places teaching and learning at the heart of everything we do and continuously supports and trains its teachers to become excellent. The academy has achieved a dramatic improvement in achievement over the past few years, breaking through the presumptions that social deprivation limits attainment. We intend to continue to raise achievement beyond national averages and that of academies whose children and families are in more fortunate circumstances, as for our children more than others, education and achievement is a vital basis for their future life chances.

In this community, we build meaningful relationships based on trust and mutual respect. Our classrooms, corridors and the academy environment are safe spaces where nobody is judged and everyone is valued. Our ethos, driven by our commitment to Duke's values, is built on inclusion and our dedication to care for each member of our community as an individual. We put learning and learners first in every decision we make. We are proud of our academy and committed to supporting all staff and students to "be the best you can be".

Once appointed, we expect that all staff will continue with their professional development which emphasises teamwork and the sharing of good practice. Our programmes for trainees and NQTs are particularly strong and have been highly praised by HMI. Staff are valued highly, moral is high and there is strong recognition that all play an important role to enable our academy to succeed.

We are a values-driven organisation with a commitment to non-selective, inclusive schools providing children and young people with an exceptional educational experience.

We value:

- our students, their potential, their contributions and their aspirations

SAFEGUARDING STRATEGY STATEMENT

Duke's Aldridge Academy Safeguarding Strategy forms a fundamental part of our approach to providing excellent pastoral care to all students. We believe that all students, regardless of age, special needs or disability, racial/cultural heritage, religious belief and sexual orientation have the right to protection from all types of harm and abuse.

The objective of the Safeguarding Strategy is to help keep our students safe by providing a safe environment for them and to educate them about keeping themselves safe.

The Safeguarding Strategy consists of:

1. Adridge Education Trust Safeguarding Policy
2. Duke's Aldridge Academy Procedures
3. Training to equip staff and volunteers to carry out their responsibilities in relation to safeguarding and promoting the welfare of students

The Safeguarding Strategy provides a clear framework within which individual academies will develop systems and local procedures to:

- Prevent unsuitable people working with children
- Identify students who are at risk of, and/or are likely to suffer significant harm and take appropriate action with the aim of making sure they are safe
- Record and share information appropriately
- Respond to allegations against staff and volunteers
- Promote safe practice and challenge poor and unsafe practice

Adherence to the Duke's Aldridge Academy Safeguarding Strategy is mandatory for **all** staff and volunteers.

We recognise that Safeguarding covers much more than child protection and so this strategy will operate in conjunction with related policies and procedures, such as effective whole academy policies on: health and safety, anti-bullying, behaviour management, IT and academy security.

Our approach to safeguarding is based on, and reflects the current principles recognised in UK legislation, including those around maintaining confidentiality and reporting concerns about students likely to suffer significant harm to the child protection agencies.

We are committed to working in partnership with parents; child protection agencies and diverse communities, to continuously develop and improve the Safeguarding Culture within our academy.

September 2019

Inspection of a good school: Duke's Aldridge

Trulock Road, Tottenham, London N17 0PG

Inspection dates:

5–6 November 2019

Outcome

Duke's Aldridge Academy continues to be a good school.

What is it like to attend this school?

Pupils, parents and carers, staff and governors work together to provide a safe and nurturing environment in the school. Everyone is 'inspired to excel'. Pupils are proud of their school. They like coming to school and appreciate the support and encouragement they receive.

Pupils behave well in lessons because teachers plan interesting activities and provide individual support. Teachers constantly check pupils' understanding, which helps keep pupils focused. Pupils told me that 'teachers encourage you to learn and want you to learn'. Pupils achieve particularly well in English, mathematics, science, modern foreign languages and humanities, which make up the EBacc qualification.

The headteacher and her committed staff have high expectations that pupils will succeed in every area of their lives, as well as academically. An example of this is the help given to pupils who join after the start of the school year, often with little knowledge of English. The school ensures that all pupils leave with qualifications in English and mathematics.

Pupils said that they feel safe at school and on their journeys to and from school. Pupils value staff supervision outside school at the end of the day. Pupils state that bullying is not a problem at school. If it did occur, they know who to talk to and said that it would be dealt with quickly.

What does the school do well and what does it need to do better?

Leaders ensure that there are well-designed plans for how each subject should be taught. Pupils are motivated to learn because teachers challenge and support them. Teachers use resources and thoughtful questioning to help pupils understand new ideas. Pupils stated that during lessons 'everyone was willing to learn'. Pupils' behaviour rarely disrupts learning.

Subject plans ensure that pupils know more and remember more. The plans show how pupils can apply their knowledge to different situations. For example, Year 11 pupils told us how the science experiments they had carried out in Year 10 helped them with this term's work. In a few subjects, such as English, leaders' plans are not carried out as successfully. Leaders have organised appropriate training and support to make the necessary improvements.

Leaders have not ensured that pupils have access to the full range of national curriculum subjects during Years 7 to 9. Leaders have recently reviewed this. They are putting plans in place so that all pupils study a broad range of subjects for as long as possible. A small proportion of pupils gain qualifications in the full range of EBacc subjects. However, the number of pupils studying humanities subjects and a modern foreign language in Years 9 and 10 is increasing.

Leaders are ambitious for pupils with special educational needs and/or disabilities (SEND). Most pupils with SEND follow the school's usual curriculum. Leaders identify pupils' needs accurately and check on their achievement. This means that pupils receive appropriate and timely support. Teachers receive the right information and training to help pupils with SEND to succeed.

Leaders and staff provide many opportunities for pupils to develop their character. Pupils told us about the valuable support they receive. For example, Year 7 pupils enjoy working with mentors discussing the move from primary to secondary school. Year 10 pupils told us how their work experience helped them to be more confident and ambitious. They said that it gave them the courage to seek further employment. Pupils explained how they add to the wall in 'purple lane'. This is a space which hosts events that support the many diverse aspects of life, such as LGBT. The wall displays the results of pupils' reflections and their inclusive attitudes.

Pupils' attendance is currently below the national average. Leaders support pupils to improve their attendance. They do this by involving pupils in programmes such as 'hit my target', by tracking attendance and asking for support from other agencies.

We noticed how respectful staff and pupils are towards each other. Pupils said that everyone was friendly and that during breaktimes the playground was 'tension-free'.

Safeguarding

The arrangements for safeguarding are effective.

Pupils, staff, parents and governors all agree that the school is a safe place to be. Staff are well trained and are aware of current safeguarding rules and regulations. Staff and pupils know how to report concerns. Leaders act straightaway to keep pupils safe.

Staff work with families when their children's attendance is low. They work with the local authority and other organisations to keep pupils safe.

Pupils are taught how to keep themselves safe online and out and about. For example, Year 7 watched a theatre presentation on road safety. Pupils told us it was a useful reminder about the dangers of using mobile phones as they cross roads.

What does the school need to do to improve?

(Information for the school and appropriate authority)

- Pupils do not achieve as well in a few subjects as they do in most. Leaders should continue their work to ensure that their plans for how subjects, such as English, should be taught are put into practice.
- Leaders should act on the findings of their curriculum review for key stage 3, so that pupils study a broad range of subjects for as long as possible.
- Some pupils need to attend school more regularly. Leaders need to continue their focus on reducing persistent absence and on increasing attendance. The newly introduced attendance monitoring system will support the work of leaders in this area.
- The school's curriculum is not sufficiently broad in Years 7 to 9. However, it is clear from the actions that leaders have already taken to plan next year's curriculum and the training staff are receiving that they are in the process of bringing this about.

Background

When we have judged a school to be good we will then normally go into the school about once every four years to confirm that the school remains good. This is called a section 8 inspection of a good school or non-exempt outstanding school. We do not give graded judgements on a section 8 inspection. However, if we find some evidence that the school could now be better than good or that standards may be declining, then the next inspection will be a section 5 inspection. Usually this is within one to two years of the date of the section 8 inspection. If we have serious concerns about safeguarding, behaviour or the quality of education, we will convert the section 8 inspection to a section 5 inspection immediately.

This is the second section 8 inspection since we judged the predecessor school, Northumberland Park Community School, to be good on 18–19 January 2012.

How can I feed back my views?

You can use [Ofsted Parent View](#) to give Ofsted your opinion on your child's school, or to find out what other parents and carers think. We use Ofsted Parent View information when deciding which schools to inspect, when to inspect them and as part of their inspection.

The Department for Education has further [guidance](#) on how to complain about a school.

If you are not happy with the inspection or the report, you can [complain to Ofsted](#).

Further information

You can search for [published performance information](#) about the school.

In the report, 'disadvantaged pupils' refers to those pupils who attract government pupil premium funding: pupils claiming free school meals at any point in the last six years and pupils in care or who left care through adoption or another formal route.
