

February 2025

Dear Parents and Carers,

The time has come for you and your child to make choices which will form the basis of their ongoing academic journey. This document is designed to give you information about the Key Stage 4 Curriculum and the option process which you and your son or daughter will take part in during this term. The process starts with parents' evening tonight where you will have the opportunity to discuss your child's progress and find information about the subjects on offer moving forwards. Please refer to the options timeline below in table 1.

Our curriculum is broad, ambitious and joyful for each student so it can celebrate their interests and strengths and ensure they have the knowledge, skills and qualifications to fulfil their career ambitions and be able to make a positive contribution to their communities. This is best achieved by taking into account the wishes of both students and parents and with sound professional guidance from staff who know the student's ability.

We will make every effort to ensure that all students can follow the subjects of their choice. Sometimes it is not possible to accommodate everyone's first choices so everyone makes a reserve choice.

| Timeline | Event | Notes |
|------------|--|--|
| 10.02.2025 | Parents & Option Evening | Please make sure that you attend the options talk and ask teachers questions about their subject |
| 13.02.2025 | Student subject poll | This leaders an indication of likely choices and student numbers |
| 05.03.2025 | Option blocks are finalised and will be issued to students and parents | Please talk to your child about their choices |
| 14.03.2025 | Deadline for option choices to be made | You will be asked to confirm that you are aware of and support the choices your child is making |
| 19.05.2025 | Letters will be sent home confirming option choices | |

The Process (Table I)

The process takes several weeks. We will stay in touch. Please contact us if you have any questions.

hora year

Moira Green Executive Principal

The Curriculum at KS4

During KS3 students have studied a wide range of subjects, including having tasters in subjects available to them at KS4. They need to think about the next stage of their education, the subject choices they make and how this will impact their academic journey beyond Dukes.

COMPULSORY CURRICULUM

| Subject | Examination Board | Link for more information |
|--------------------------------|-------------------------|--------------------------------|
| English Literature and English | AQA | GCSE English Language |
| Language | | GCSE English Literature |
| Mathematics | Edexcel | GCSE Mathematics |
| Science | AQA | GCSE Combined Science |
| PSHE & Religious Education | Non Examination Subject | |
| PE | Non Examination Subject | |

OPTIONS SUBJECTS

Subjects they enjoy

Students will then choose a further **3 subjects**, from the list below, which they will study for 3 hours each per week. We encourage students to follow a balanced curriculum which will include at least one EBACC subject, highlighted in Green. In all subjects students will sit their exams at the end of year 11. When making their subject choices, students should take the following into consideration:

Possible career pathways

Subjects they are good at

| Subjects they enjoy | Subjects they are good at Tossible career pathways | |
|------------------------|--|---|
| Subject | Exam Board | Link for More Information |

| Sociology | AQA | GCSE Sociology |
| Spanish | AQA | GCSE Spanish |
| Sports Studies | OCR | Sport Studies |
| Textiles | AQA | GCSE Textiles |
| Business Studies | Edexcel | GCSE Business Studies |
| Food Technology | AQA | GCSE Food Technology |

HOME LANGUAGES

At Duke's Aldridge Academy, over 75% of our students are multi-lingual. Students who can read, write, speak and understand community languages are encouraged to take a GCSE qualification. This will count as one of their green subjects. We are fortunate to have qualified teachers from the Turkish Ministry for Education to deliver our Turkish GCSE with classes taking place after school.
