Exams are the top worry for both Primary (41%) and Secondary (39%) pupils and they needn't be...

Top Revision Tips

**MAKE A REVISION
TIMETABLE AND
STICK TO IT!**

A stack of colorful revision cards is shown fanned out from the top left towards the bottom right. The cards are in various colors including yellow, green, brown, blue, red, and light blue. The text is centered on a large yellow triangular shape that points towards the bottom right.

**Use revision cards
to remember key
information about a
topic or subject!**

Use lots of colours,
highlighters and sticky notes to
bring your revision to life!

Try covering up the answers and testing yourself or ask someone to ask you questions!

Use a variety of different revision techniques so you don't get bored!

Use past exam papers so you know what to expect...

Pay attention to how many marks questions have so you know how long to spend on each...

Use diagrams to organise information.

You can use them to break your revision down into chunks so it seems less daunting...

Make sure you repeat topics in
your revision to make sure it
sticks in your long term
memory!

Exercise, eating healthy,
drinking enough water and
sleeping properly is really
important to help your brain to
function to its full potential.

**Most importantly...
Think POSITIVELY and
remember that exams are a small
piece of the jigsaw...
They show what you DO know...
not what you don't!**
