

Super Pandas

Matt Miller lived with his brother Jonny Gat and sister Shaundi. Their mam got killed by a sheikalaba (NASTY HUNTER).

She was hunted by Cruella Devil for her fur. The pandas still have a dad, who takes them to bamboodonalds (McDonalds for pandas). They sell bamboo fries, bamboo nuggets, bamboo juice, bamboo ice-cream, bamboo burgers, bamboo big pandas (big mac for pandas).

One day when the family went to the restaurant, the sister got pandanapped (kidnapped panda). So the brother and dad went to see superman, to become the super pandas.

Johnny Gat worked at bamboodonalds so he couldn't come straight away. After a few hours of training the super pandas were ready. They took off with their new suit and found Shaundi and rescued her. That sheikalaba Cruella is in jail and now! Whenever there's trouble the forest can count on THE SUPER PANDAS!
