## Home Learning

Week beginning: 1st June 2020

This week we are going to focus our work around our Local Area. Now you can get out a little more (remembering to keep social distance) we are going to look at the local area.

Remember you can email anything you complete to Mrs Clough at [kclough@dunnstreet.s-tyneside.sch.uk](mailto:kclough@dunnstreet.s-tyneside.sch.uk)

Take photos or draw pictures of landmarks in the local area and draw a map. You might want to make a map of 'How to get to the beach'.

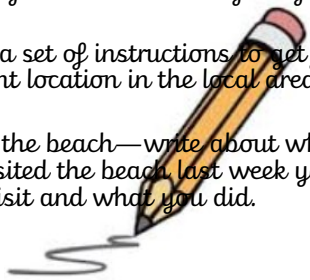

### Writing Opportunities:

Choose from one or more of the following ideas:

\*Write a set of instructions to get from your house to a different location in the local area.

\*Go to the beach—write about what you got up to. Or if you visited the beach last week you could write about your visit and what you did.

### Art Opportunities:

\*Make an underwater world on a paper plate.

\*Draw an outline of a fish and use something to print scales.

\*Put some water, washing up liquid and paint into a cup. Use a straw to blow bubbles and then put a piece of paper over the top to create a print.
