Dear Year 6 Student,

We are really looking forward to welcoming you to Jarrow School in September.

We are sure that you will feel incredibly excited, and maybe also a little nervous, about moving schools. However, new adventures, new friends and new experiences await your arrival. We promise that before long, you will feel very confident and enjoy the new learning challenges offered every day. We expect you to work just as hard as you did in your primary school in order to go on to great things in the future!

We would love to hear from you and hope you will either email us or write a letter to tell us more about you and the things that you enjoy doing. The school address is given above however if you prefer to use email, please use the following email address: info@jarrowschool.com

We hope you enjoy your last few weeks in year 6 and that you have a wonderful summer even though things may be a little different to normal at the moment. We look forward to offering you a warm welcome in September for what we are sure will be a great year!

With our very best wishes,

Miss J. Gillies
Head Teacher

Miss C. Coutts
Head of Year 7
