

Newsletter for The Sue Hedley Nursery Autumn Term 2015

Dear Parents and Carers,

We have had a very successful settling in period with your child and they are extremely busy in Nursery. We have lots of news to share and opportunities for you to get involved in your child's learning through discovering more about their nursery routine.

Parent Progress Chats

Although all members of staff are available to speak to at any time, we all enjoy having parent chats to discuss your child's progress. We will be holding parent chats **week beginning 19th October**. This will give yourself and your child's key worker the chance to share any important information or news. It will also allow time for any questions or concerns that you may have.

Chats will last around 15 minutes. Time slots will be available in your key workers area to sign up next week.

Tuesday 20th October – Linda McGow (Purple Group)
Wednesday 21st October – Victoria Gardner (Red Group)
Thursday 22nd October – Christina Sweeney (Yellow Group)
Friday 23rd October – Brenda Caswell (Green Group)

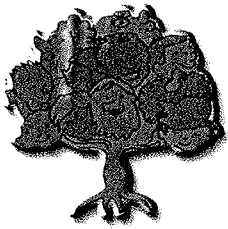

Forest School

As you all know, we visit our onsite Forest School every week. If you haven't already done so, could you please make sure your child has a pair of wellies on their peg with their name written inside.

All children will now attend **Forest School on a Tuesday**, we do apologise for this change and for any changes in the future.

Children's trays

All children should now have a tray; this will be shared with another child and can be found near the entrance to the nursery. Please check this regularly as your child's creations will be put in here for them to take home.

The Sue Hedley Nursery School

Campbell Park Road,
Hebburn,
Tyne and Wear,
NE31 1QY.

Snack money

In each of your key workers group there will be a snack collection tin, as the school is not funded for snacks we would appreciate any voluntary donation towards this.

Spare clothes

We access the outdoor area as part of our curriculum, we offer a free flow between the indoor and outdoor area. We believe that 'it's not bad weather, it's bad clothing', therefore children will come in wet during bad weather. We encourage children to put on their coats and have wellies and wetsuits available. However, we find that we very quickly run out of spare clothes, particularly underwear and socks. If you have any spare clothing that your child may have grown out of, donations would be greatly appreciated. Please ensure all children have a change of clothes on their peg on Forest School days.

Children in Need pyjama day

On **Friday 13th** we will be having a pyjama day to raise money for Children in Need. There will be a collection tin at the front door for you to donate as little or as much as you can.

Dates for diary
