

Fun with Music

Sue Hedley Nursery – 25th May 2016

Parents and Carers you are invited to come along and join Sue and Laura for a **FREE 3hr family learning course.**

This will give you ideas of ways to support your child’s learning and development using musical activities.

This relaxed session will give you a chance to meet other parents and carers, before enjoying a fun packed music session.

The workshop will run for the length of your child’s normal session.

There is no limit to how many adults can attend for each child – so please come along and have fun with family.

Don’t worry; you don’t have to sing unless you want to!

Children **must** have an adult attending to enable them to access this workshop.

For further information please ask your class teacher.

Please return this section to your teacher as soon as possible.
