

# Little Angels..

## Sue Ford Training

Is a FREE 5 week course for adults who would like to understand children's behaviours, and explore appropriate strategies for dealing with them.

Held at Sue Hedley Nursery

**This informal, relaxed programme** is not about telling you the 'right' way to do things. We will engage in discussion and activities to discover and support issues that are relevant to **you**- bedtimes, fussy eaters, temper tantrums, behaviour issues, etc.

Whatever challenges you face, and whatever the age of your child, we will look into **finding solutions to the problems together**. We know how important your role is, and will encourage you to enjoy the positive aspects of parenting, whilst understanding child development and behaviours. **Free goody bag for all attending**

This course is for adults only, all adults are welcome, and more than one adult per child can attend. Please come along and enrol on our first session:

Friday 10<sup>th</sup> June Morning Session 9.00 – 12am

and join us at the same time for the following 4 weeks
