

Creative Language (Fun with Phonics)

Sue Hedley Nursery

Parents and Carers you are invited to enrol on this FREE 5 week course, designed to help you support your child's speech, language, reading and writing skills.

We will explore the Phonics systems and identify how to support your child's reading and writing development at home.

Come along and meet with other adults on this fun course, where **you will produce and explore a FREE resource toolkit and develop the skills to support your child at home.**

This course will give you an overview of phonics, and allow you to develop creative games and activities with your child as well as enjoying music activities with our Early Years Musician.

Developing skills to keep your children motivated, whilst supporting their literacy development.

This course will run on Wednesdays from 9.00 - 11.30am

More than one adult may attend per family

be sure to put your name down quick – places are limited.

FREE gift for **every** child attending

We look forward to seeing you

Dates:

Wednesday– 15th 22nd 29th June, then 6th, 13th July

Please return the slip below to your teacher as soon as possible. Many Thanks.
