This week we welcome

Chris Clark
Amanda Clough
Alysia Hughes
Emma Rose
Fran Tague from the Gateshead 3-7 SCITT.

This is part of their teacher training and they are improving our nursery areas with new exciting equipment based around STEM. STEM is Science, Technology, Engineering and Mathematics and Christina our teacher has been attending some new training. We would like to invite you all in on Friday 24th March to share ideas to support your child at home and play with your child in the Nursery exploring new ideas. We will be selling pocket money toys you can then take home to continue support learning in STEM. It is also Red Nose Day and we will finish with our cake stall as advertised.

Thank you for your support

Judith Reay
