## FROM THE HEADTEACHER

Thank you for expressing an interest in joining the team at Studley High School.

We can offer you the benefits of working in a relatively small community school of around 835 pupils whilst also being part of the Shires Multi Academy Trust, where many opportunities await determined, talented and positive individuals.

The simple premise by which we operate is that we believe in every pupil. Our academic outcomes are excellent and the result of a community approach to supporting every pupil to 'do the right things in the right way'.

We guide, support and nurture our pupils within a strong pastoral and house system. We are a truly comprehensive intake and invest heavily in understanding pupils' needs and then working with them to develop.

In terms of staff development we have a well established programme of CPD targeted to meet the needs of all staff, regardless of experience or responsibility. As part of the Shires Multi Academy Trust, we work together with other schools on many levels, including leadership development and initial teacher training. Opportunities to develop as a practitioner and leader are a key part of working at Studley High and many of our staff enjoy accelerated career pathways through their chosen interests.

We are confident that on visiting the school you will find something very special and when you meet staff and colleagues you will appreciate just what a unique school we have.

If you would like to be a part of this wonderful community then we look forward to receiving your application.

Mr R Eost

Headteacher

## SUCCESS

GCSE results are consistently well above national averages with pupils achieving across a broad range of GCSEs. Alongside our academic success we place great importance on the development of each pupil within the school. The simple premise by which we operate is that we believe in every pupil. We have an exceptionally pleasant school environment within which we have established a close community where everyone is valued.

We achieved 'Outstanding' OFSTED rating in each of the last two inspections (2011, 2017).

“ THIS IS AN INCLUSIVE AND CARING SCHOOL; AN EXCITING, ENGAGING AND OUTWARD-FACING PLACE FOR STAFF & PUPILS. ”

HMI INSPECTOR, OFSTED 2017

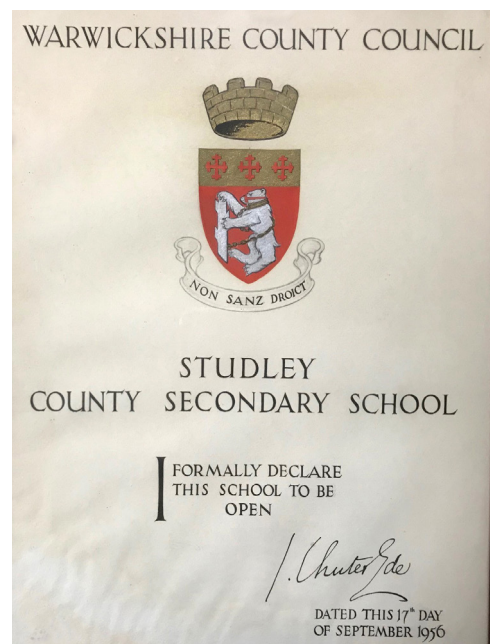

## HISTORY

Studley is a parish in Stratford on Avon District and one of the largest villages in Warwickshire with a population of around 6,500. It lies to the far west of the county just beyond the outskirts of Redditch.

The manor of Studley was recorded in the Domesday Book, mostly as part of the lands of William son of Courbucion who was appointed Sheriff of Warwick soon after in 1086.

Studley High School was completed and opened in 1955. Previously a 'foundation school', we converted to academy status in 2011. Originally a single building, the campus has been extended to 4 buildings, including a dedicated Science block, Sports Hall, Performing Arts centre and Technology block.

“

TEACHING AT STUDLEY ALLOWS  
ME TO MAKE A DIFFERENCE AND  
GROW AS AN EDUCATOR.

# CREATIVITY

The Art & Design department at Studley High School is based in two specialist rooms, with access to a fully equipped ICT Suite and photography studio. Both Art & Design and Photography are popular subjects at Key Stage 4 with a high uptake. Outcomes for both of these courses are consistently excellent and many of our students continue their studies at sixth form level.

The department benefits from the support of a part time technician and prides itself on its creative and diverse specialist curriculum and the strong relationships it forges with students.

This is a wonderful opportunity to join a dynamic, friendly and ambitious team and to contribute to its growth and future success.
