

MOCK EXAM INFORMATION FOR PUPILS GEOGRAPHY

EMPER SURSUM

Which paper will I sit for the mock ?

Paper 1 - Living in the UK today

- Landscapes of the UK
- People of the UK
- UK environmental challenges

Paper 2 - The World around us

- Ecosystems of the planet
- People of the planet
- Skills

How long is the exam? Paper 1 (One hour) Paper 2 (One hour)

What do I need to revise? The case-study details for each paper. (Paper 1 = River Severn, Salford Quays and the Somerset Levels flooding)

(Paper 2 = The Peruvian Amazon, The Andros Barrier Reef and Ethiopia's economic development)

Where can I find this information? In class notes – especially the A3 revision sheets that we have been working on in lessons.

What are top revision tips for this paper?

- Use your revision guide and follow the suggested revision schedule (given out in lessons)
- Learn the keywords and definitions
- Learn the details of the case studies for each paper.
- Practise basic map skills e.g direction, scale, distance and grid references.
- Make sure that you know how to structure a longer answer using developed sentences. Read through the exemplar ones in your notes.
- Go through the revision lists given out in lessons. (Yellow sheet)
