Content/curriculum (skills and knowledge)	During the pandemic we have offered an on-line learning experience that has been adapted and tweaked during the time in which pupils have not been in school. We have regularly sought feedback from pupils and parents. Despite an excellent online learning experience, we reflect that it cannot replace teaching and learning that happens from being in a classroom. The skills and knowledge that have been covered in lock down will need to be audited and a planned recovery put in place.	Use GL CAT4 assessments with years 7 and 8 to gain more insight into the starting points of these cohorts so that progress can be effectively tracked.	REM	RE	£4076.15
		Regular audits of curriculum coverage at both key stages with a particular focus on year 11.	MXR	RE	No cost
		Introduce a new year 9 curriculum to ensure that all students cover the full curriculum at KS3.	MD	MXR	£34,131
		Review curriculum offer in each subject and ensure the 5-year delivery grids are shared (with amendments made where necessary).	MD/MXR	REM	No cost
		Create and embed a new KS3 assessment system that focuses on the skills and knowledge taught so that gaps can be identified and targeted through appropriate intervention.	REM	RE	£195
		Revision sessions (including Saturdays) to be scheduled throughout the academic year.	AP	RE	£1333
		Use the school-led tutoring grant to effectively target PP students across the school.	GS	RE	£975
		Invest in online CPD (National College) so that staff can continue to develop professionally.	REM	RE	£2000
		Focus on Boys' underachievement through middle leadership CPD.	REM	RE	£100
		Invest in an online parents' evening platform so that this key stakeholder engagement can continue.	MD	RE	£858
		Over staff Maths and English so that curriculum groups can be kept smaller where necessary and there is an increased capacity for intervention.	MXR	RE	£20,056
		Evaluate and develop our whole school Teaching and Learning ethos (non-negotiables) so that students receive Quality First Teaching in the classroom.	REM	RE	No cost

		Invest in ICT development so that classroom teaching is enhanced.	MD	RE/LG	£21,466
		Invest in online homework platforms to use homework as an effective catch-up strategy (ClassCharts, Educake, Hegarty)	REM/ CALs	RE	1029.60
		Introduce study skills sessions with Elevate for year 11.	REM	RE	£822.50
		Create curriculum information videos for key information to ensure key stakeholder engagement and understanding.	MXR	RE	No cost
		Deliver extra GCSE classes after school (Computer Science, Music, Astronomy).	MXR	RE	£9000
		Run a summer school for the new year 7 cohort that helps them transition to secondary school.	RE/AP	RE	£31,820
		Run a second room for homework club to deal effectively with the increase in demand.	AP	RE	£1,329
Impact

Experience	Students have missed out on a variety of difference experiences both in and out the classroom. We are committed to offering a full experience programme from September 2021 (If restrictions remain lifted) which supports students' cultural capital. At Studley High we appreciated that whilst an excellent education is crucial for all pupils, so is the extra experiences that we can offer. We want	Ensure that the 'Studley Promise' is reviewed and embedded in all subjects.	AP/K D	RE	No cost
		New Duke of Edinburgh Co-ordinator to ensure that students are continually offered this important experience.	CN	RE	£3500
		Run a whole school musical.	GB	AP	£600
		Ensure a variety of sports teams are offered to all year groups and fixtures with local schools are planned throughout the year.	KD	MXR	No cost
		Run a residential for years 7 and 8.	MO	AP	£26,009 (recoverable)
		AHT Seconded with responsibility for overseeing the year 9 cohort to ensure they complete their KS3 study positively.	MD	RE	£1,764

	students to look back on their time at Studley with fond memories.	Implement a year 11 rewards programme to increase motivation.	REM	RE	£300
		Run a year 11 DNA day with key speakers to focus on motivation and study skills.	REM	RE	£869.49
		Re-launch ClassCharts and a whole school approach to homework so that home learning is used to support students' progress and the home/school relationship is strengthened.	REM/DR	RE	£2302.38
Impact

Social Development	The impact of the national lockdown is still to be seen. Like all schools we are aware that pupils have not had the opportunities to be with their friends or engage with a variety of people. Social/personal development will have suffered as a consequence. At Studley High we are committed to creating more opportunities so that pupils grow into well round people ready to engage positively with society.	Launch a revised 'Aspire' programme to target PP students.	JD	GS	£1,776
		Target year 11 students with the 'Unlocking potential' project.	KD	REM	No cost
		Increased focus on Careers support with year 11 (virtual experiences, meetings, speakers).	RD	GS	£360
		Invest in Lifespace mentoring and engage the support of 'Young Minds Matter' to increase our support of mental well-being.	AP	RE	£12000
		Re-introduce assemblies with key external speakers where appropriate.	JSS/RD	AP	No cost
		Re-introduce vertical tutoring to help build a sense of school community.	AP	RE	No cost
		Audit the PSHE and Citizenship curriculum and ensure all year groups cover the statutory requirements through timetabled lessons and 'Personal Development' days.	RM	AP	£2000
		Launch the Pupil Leadership team and appoint prefects to increase students' responsibility in the school.	ZH/GB	AP	No cost
		Ensure the school forms positive links with the community through involvement in key events (e.g. Remembrance Sunday, Studley Christmas Lunches).	RE/AP	LG	No cost
Ensure the 'House Experience Co-ordinator' helps develop house identity and the school values (DNA).	LB	AP	£2,750		

		Invest in sports equipment to enhance students' social time and health and well-being.	KD	MXR	£4165.20
		Take part in the 'Sport England' programme to embed sport and the promotion of a healthy lifestyle throughout the school.	KD	MXR	No cost (funded)
		Increase the focus on the school value 'Charitable' through regular support of charities at events throughout the year.	AP	RE	£6000 raised so far
		Ensure that a number of staff are trained as 'Mental Health First Aiders'.	YC	REM	£1600

Reading	Reading is important to all students irrespective of starting point. At Studley High we are committed to supporting pupils reading through our curriculum, tutor time and LRC. We want to foster a love of reading.	Administer reading age tests with some cohorts so that this data, along with the CAT4 data, can inform intervention.	CE	ST	£858
		Define the role of a whole school Literacy Co-ordinator.	ST	REM	£4200
		Accelerated Reader programme to be used with students with the lowest reading ages.	CE	ST	£2000
		Investment in the library (new books, competitions etc.)	SM	CE	£6150
		Embed whole school reading initiative in tutor time (non-fiction articles, whole class debates, home engagement).	CE	ST/REM	No cost
		Invest in a reader for year 9 which will link to the PSHE curriculum.	CE	ST	£1080
		Plan an author visit and workshops.	CE	ST	£600
