This plan is reviewed and updated annually to ensure that exam contingency planning at Studley High School is managed in accordance with current requirements and regulations.

## Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the exam process.

By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our exam process at Studley High School.

Alongside internal processes this plan is informed by the Ofqual **Exam system contingency plan: England, Wales and Northern Ireland** which provides guidance in the publication, 'What schools and colleges and other centres should do if exams or other assessments are seriously disrupted' and the **JCQ Joint Contingency Plan** for the Examination System in England, Wales and Northern Ireland.

This plan details how Studley High School complies with the JCQ's **General Regulations for Approved Centres** (section 5.3, Centre management) by having in place a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or staff absence. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations, or on results day, owing to an unforeseen emergency. The potential impact of a cyber-attack should also be considered.
