

Please make sure that each day you are logging onto Google Classroom to complete your work.

Engage | Commit | Succeed

Whilst you are isolating at home your teachers will:

- Deliver live lessons on Google Classroom for you. These lessons will take place on your homework day.
- The learning will equal the number of lessons that you have each week (i.e. English, 4 lessons per week).
- The lessons will be posted to Google Classroom before the time that your lesson would normally take place
- Teachers will provide feedback on the work that has been completed

[Here is a link to the classroom codes - this can also be found on our website](#)

Students in year 8, 9 & 10 who are self isolating at home will return on Monday 14th December

Whilst at home isolating you must:

Engage in all of the learning that your teachers have set

If you are unsure of something use Google Classroom to send questions to your teacher

Engage in a dialogue with your teacher online, if they have asked you to make additions to some work ensure that this is done

If for any reason you are unable to complete a task then contact your teacher immediately to explain why

Check your lessons online every day - school will be monitoring how well we are engaging with our learning at home
