

1st December 2020

Dear Parents/Guardians,

December Mock Exams - arrangements for self isolating students

As you know the mock exams have started and some of the year group have to remain at home and self isolate. The school has been working very hard to organise alternative arrangements for son/daughter that are fair and mean that they still get the experience of sitting all of the exams under the proper conditions.

When students return to school they will follow the normal mock timetable and we will use the last week of term to catch up on the exams that were missed. The dates are as follows:

Maths non-calculator	English Literature	RE	History/Geography	Drama/Citizenship
Tuesday 15th December 9am - 10:45am	Tuesday 15th December 1pm - 2:45pm	Thursday 17th December 1pm - 2pm	Complete in class last week of term	Complete in class last week of term

We want to reassure you that even though your son/daughter is sitting some of their exams at a different time from the rest of the year they will not be put at any disadvantage. This is why we decided to extend the period of time we have the mocks so that everyone is able to get a fair chance at showing what they can do.

Once again many thanks for your continued support. Please make sure that you and the rest of your family stay safe.

Yours sincerely,

Mr Duncan Bowyer
