

COVID Risk Assessment (RA) for Newham Community Schools Trust Schools, September 2021

Academy / School	Eastlea Community School	Trust	Newham Community Schools Trust
Headteacher	Sarah Morgan (HT) / Charlotte Robinson (EHT)	Location	Pretoria Road, Canning Town, E16 4NP

Subject of Assessment	<p>This Risk Assessment explains the actions of NCST schools to reduce the risk of transmission of Covid 19 in our school. The actions have been identified and implemented in line with the document 'Schools Covid 19 Operational Guidance' last updated - August 2021 by the UK Government. This government guidance is endorsed by Public Health England as part of Step 4 (the current phase of the government's response to the pandemic). The following control measures have been identified by the government to create an environment where the risk of transmission is substantially reduced.</p> <ol style="list-style-type: none"> 1. Ensure good hygiene for everyone. 2. Maintain appropriate cleaning regimes. 3. Keep occupied spaces well ventilated. 4. Follow public health advice on testing, self-isolation and managing confirmed cases of COVID-19 <p>Our actions are also in-line with the Newham 'Five Steps for Covid-19 Wellbeing'</p> <p>5 STEPS FOR COVID-19 WELLBEING</p>  <p>www.newham.gov.uk/coronavirus</p>

2. Control Measures				
Risk	Who is at risk	Responsibility	School Mitigation Actions	Other considerations
2.1. The virus is brought into the school	Staff, students, visitors and contractors	Headteacher - Sarah Morgan School Business Manager -	<p><u>Testing</u> is a key control measure to reduce the risk of people attending the school with the virus</p> <ul style="list-style-type: none"> All students will have two on-site tests on their return to school in September - these are scheduled from Thursday 2nd September through to Friday, 10th September. 	Visitors and contractors will be asked to take LFD tests and report these results to

		<p>Rebecca Gooby</p> <p>All members of the school community</p>	<ul style="list-style-type: none"> All staff and students will be provided with and should use a Lateral Flow Device twice weekly at home Tests on a Sunday and Wednesday evening throughout September . The result of the tests should be reported to the school via the LFD Test Google Form and NHS. <p>Vaccination</p> <ul style="list-style-type: none"> The vaccination status of staff will be requested via completion of a Vaccination Google Form: Staff Vaccination Record Form Visible and visual signs throughout the school emphasise the messages of Covid Well-being. All school community will be made aware of the key symptoms and requirement not to attend school if unwell with key Covid Symptoms and /or tested positive (LFD tests or PCR). Staff will be encouraged to be vaccinated against Covid through regular messaging and the facilitation of vaccination appointments during working hours (when necessary) 	<p>the school before their visit.</p>
<p>2.2. The virus is transmitted in school</p>	<p>All staff, students, contractors and visitors</p>	<p>All members of the school community</p> <p>SLT, MLT and Premises Team</p>	<p>Visible and visual signs promoting Covid Well-being throughout the school - promoting hand and respiratory hygiene, distance and ventilation</p> <ul style="list-style-type: none"> Newham 5 Steps to Covid Wellbeing School Posters and NHS / PHE posters Regular Covid Wellbeing reminders to staff and students through Weekly Bulletins, Assemblies / Staff Meetings Regular Covid Wellbeing reminders to families through school letters, website and social media <p>The following Control Measures implemented throughout the school:</p> <p>Hand Hygiene - regular opportunities to wash hands, hand sanitiser available in all classrooms, corridors and areas of school.</p> <p>Antiviral wipes in all rooms to wipe surfaces before and after use.</p>	

			<p>Hand sanitiser Touch Sensor (No Contact) wall mounted units at all school entry points, in classrooms and at key points around the school.</p> <p>Respiratory Hygiene - 'Catch it, Bin it, Kill it' approach Use of PPE - for staff giving intimate care in line with government guidance</p> <p>Cleaning of the school remains enhanced with a specific focus on frequently touched surfaces 1 Day Cleaner onsite throughout the school day to maintain high levels of cleanliness/ particularly focused on high frequency touch points.</p> <p>Ventilation is promoted throughout the school to ensure the flow of fresh air and maintain a comfortable working environment (external windows and doors open, internal doors open and air handling units adjusted where possible. Fire safety planning will be adapted accordingly, with Fire Wardens' duties updated to include closing of doors in areas for which they are responsible).</p> <p>The Trust and school will continue to review guidance on ventilation and implement use of CO2 monitors in line with national guidelines</p> <p>Meeting rooms have been identified for 1:1 and small group staff meetings with external windows and good ventilation.</p>	CO2 monitors - awaiting delivery
2.3. Staff and students live in household where someone has tested positive for COVID-19 or has symptoms	All staff and Students	All School Community	<p>The national guidance states that people do not need to self isolate if they have a positive case of COVID in their household if:</p> <ul style="list-style-type: none"> • they are fully vaccinated – this means 14 days have passed since your final dose of a COVID-19 vaccine given by the NHS • are under 18 years, 6 months old • taking part or have taken part in a COVID-19 vaccine trial • are not able to get vaccinated for medical reasons <p>Please see full guidance here.</p> <p>Staff and students are strongly encouraged to inform the school if there is a case of Covid in their household or through another very close contact, so that the school can advise on next steps in line with the latest national guidance and our evaluation of the local context and Newham Public Health</p>	

			advice.	
2.4 Staff/student becomes ill with symptoms in school	All staff and students	Teaching staff Pastoral staff SLT School Nurse Admin Hub staff	Students or staff who develop symptoms , however mild, will be sent home and advised to follow public health advice. Students will be taken by Pastoral Manager/ SLT on duty to the small meeting room, where they can isolate until collection. Staff dealing with the case will be aware of control measures required to limit transmission and risk including hand hygiene, ventilation and distance Enhanced cleaning of areas where staff/student has been will take place as appropriate	

3. COVID-19 Outbreak Management Plan				
Risk	Who is at risk	Responsibility	School Mitigation Actions	Other considerations
3.1 Changes in the number of cases within the school or local community	Community and local area	Headteacher - Sarah Morgan	The DfE Daily Attendance Form is completed by our lead Attendance Officer, Kate Morley to help inform national planning. <u>COVID-19 Outbreak Management Plan</u> will come into effect and Government guidance followed.
