Student Entitlement	2
Opportunities for Access	3
Management of Access	3

Introduction

Eastlea Community School is committed to informing our students of the full range of learning and training routes on offer to them, and is happy to consider requests to speak to students from appropriate technical education, vocational education and apprenticeship providers. This statement sets out Eastlea Community School's arrangements for managing access to students for the purposes of providing them with information about the provider's education and/or training offer.

Student Entitlement

Students in Years 8 to 11 are entitled to:

- Hear from a range of local providers about the opportunities they offer, including technical education, vocational education and apprenticeships.
- Find out more about technical education, vocational education and apprenticeships at each transition point.
- Understand how to make applications for the full range of academic, technical, vocational and apprenticeship programmes.

Opportunities for Access

The Eastlea Careers webpage provides some examples of key CEIAG events offered to our students. These include (but are not limited to): - Year 11 Post-16 Assembly Programme (Autumn Term) - Options Evening (Spring Term) - National Careers Week (Spring Term) - Year 10 World of Work day (Summer Term) Opportunities are also available, upon request, to speak to students in Assemblies, and through workshops and other activities.

Management of Access

Any training provider wishing to request access to Eastlea Community School should do so by contacting frantz.titot@eastlea.newham.sch.uk. All appropriate requests will be given due consideration by the Assistant Headteacher responsible for CEIAG. Requests will be refused if: - they impinge upon students' preparation for internal or public exams. - they clash with other school events, such as educational visits, internal or public exam periods, sports days, etc. - the school is unable to provide staff to support the event due to previous commitments. Successful requests will normally be prioritised on a first come, first served basis

If you have questions regarding this Provider Access Statement or Eastlea Community School's wider CEIAG policy document, please do not hesitate to the Assistant Headteacher responsible for CEIAG, Mr Frantz Titot
