

Information for whole year groups who are self isolating

Whilst you are isolating at home your teachers will:

- Deliver live lessons on Google Classroom for you
- The learning will equal the number of lessons that you have each week (i.e. English, 4 lessons per week).
- **Each lesson** will be a live lesson.

NB - You should follow the timings of your normal school timetable. Remember every lesson will be a live lesson

Remember that all Google Classroom codes can be found on the school website.

Whilst at home isolating you must:

Engage in all of the live lessons

If you are unsure of something use Google Classroom to send queries to your teacher

Engage in a dialogue with your teacher online, if they have asked you to make additions to some work ensure that this is done

If for any reason you are unable to complete a task then contact your teacher immediately to explain why

Check your lessons online every day - school will be monitoring how well we are engaging with our learning at home
