

At Eastlea we offer a range of different after school clubs to extend your child's learning beyond the classroom. All students are encouraged to take advantage of these after-school activities so that they find areas of interest and enjoyment both inside and outside the curriculum.

The aim is to provide a broad selection of activities that supports their personal development and well being. Please see below for a list of activities that we currently offer at Eastlea.

| Club                              | Day & Time            | Lead Teacher               | Year Group  | Room          |
