

## KS2 Pupil Acceptable use Policy Agreement

These are the rules I agree to follow when using any digital technology:

- I will ask permission from a teacher before using computing technology.
- To protect myself and other pupils, if I see anything I am unhappy with or receive messages I do not like, I will immediately close the page and tell a teacher or adult.
- I will not access other people's files or send pictures of anyone without their permission.
- When I am using the internet to find information, I will check that the information is accurate as I understand that the work of others may not be truthful.
- Where work is protected by copyright, I will not try to download copies (including music and videos).
- I will not bring a mobile phone or any other device into school without permission from the head teacher and I understand that this may be kept in possession of the head teacher.
- I understand that the school may check my computer files and may monitor the internet sites I visit.
- If I am involved in incidents of inappropriate behaviour that involve members of the school community (e.g. cyber-bullying, using images/information without permission), the school will take action.
- I understand that if I do not follow these rules I may not be allowed to use ICT in school and my parents/carers may be contacted.
