

Parent Information

Special Educational Needs and Disabilities Information Report September 2025

Introduction

All Sunderland Local Authority (LA) maintained schools have a similar approach to meeting the needs of pupils with Special Educational Needs and /or disabilities and are supported by the LA to ensure that all pupils, regardless of their specific needs, make the best possible progress in school.

All schools are supported to be as inclusive as possible, with the needs of pupils with Special Educational Needs and Disabilities (SEND) being met in a mainstream setting wherever possible.

The broad areas of SEND need are:

- Communication and Interaction.
- Cognition and Learning.
- Social, Emotional and Mental Health Difficulties.
- Sensory and/or Physical.

The LA Local Offer

The Children and Families Bill was enacted in September 2014. From this date Local Authorities (LA) and schools are required to publish and keep under review information about services they expect to be available for children and young people with special educational needs (SEN) aged 0-25. The LA refer to this as the 'Local Offer'.

The intention of the Local Offer is to improve choice and transparency for families. It will also be an important resource for parents in understanding the range of services and provision in the local area.

The Special Education Needs Information Report

East Rainton Primary utilises the LA Local Offer to meet the needs of SEND pupils as determined by school policy and the provision that the school is able to provide. Schools refer to this as 'The Special Education Needs Information Report'.

Key Personnel responsible for SEND at East Rainton Primary School are:

Mrs Toole	Headteacher
Mrs Gates	SENDCO/ Deputy Headteacher
Mrs Chapplow	SEND Governor

All can be contacted at school on **0191 5536505**

Who are the best people to talk to in this school about my child's difficulties with learning/ Special Educational Needs or disability (SEND)?

The Class teacher

Responsible for:

- Checking on the progress of your child and identifying, planning and delivering any additional help your child may need (this could be things like targeted work, additional support) and letting the Special Education Needs/Disabilities Coordinator (SENDCo) know as necessary.
- Writing Support Plans and sharing and reviewing these with parents at least once each term and planning for the next term.
- Personalised teaching and learning for your child
- Ensuring that the school's SEND Policy is followed in their classroom and for all the pupils they teach with any SEND.

The SENDCo - Mrs L Gates

Responsible for:

- Developing and reviewing the school's SEND policy
- Coordinating all the support for children with special educational needs or disabilities (SEND)

- Ensuring that you are
 - i) involved in supporting your child's learning
 - ii) kept informed about the support your is getting
 - iii) involved in reviewing how they are doing.
- Liaising with all the other people who may be coming into school to help support your child's learning e.g. Speech and Language Therapy, Educational Psychology etc.
- Updating the school's SEND register (a system for ensuring that all the SEND needs of pupils in this school are known) and making sure that records of your child's progress and needs are kept.
- Providing specialist support for teachers and support staff in the school so that they can help children with SEND in the school to achieve the best progress possible.
- Applying for Education Health and Care Plans as necessary

The Headteacher - Mrs S Toole

Responsible for:

- The day-to-day management of all aspects of the school, this includes the support for children with SEND.
- The Headteacher will give responsibility to the SENDCo and class teachers but is still responsible for ensuring that your child's needs are met.
- The Headteacher must make sure that the Governing Body is kept up to date about issues relating to SEND.

The SEND Governor - Mrs Chapplow

Responsible for:

- Making sure that the necessary support is given for any child who attends the school, who has SEND.
- Ensuring they are up to date with the progress of SEND children and aware of children across the school by meeting with the SENDCO regularly.

What are the SEN Ranges?

Across Sunderland, SEN Ranges are used to identify children's needs and the severity of their needs. They are based on national best practice in determining the needs of pupils with SEN. This enables us as a school to provide an integrated, inclusive whole school approach to student support. Ranges are identified within the four areas from the Code of Practice:

- Cognition and Learning
- Communication and Interaction

- Social Emotional and Mental Health
- Sensory and or Physical

The Ranges go from 1 to 7, one being mild within that area and seven being most severe.

Range 1 - School based responses - universal mainstream.

Range 2 - School based responses - universal/targeted mainstream.

Range 3 - School based responses - targeted mainstream.

Range 4 - Targeted specialist either in mainstream or specialist additional resource.

Range 5 - Specialist Resource/Special School

Range 6 - Special School

Range 7 - Highly Specialist Provision possibly 24hours

Children may be identified within more than one range depending on the complexity of their needs. Once a range has been established teachers will seek advice on how best to support learning at each range. It is important to recognise that Quality First Teaching will provide a firm basis upon which to use the additional strategies identified at each range. Strategies and advice from earlier ranges need to be utilised alongside more specialised information as the range increases. Specialist Health interventions may be required at any level.

Interventions within Ranges

Range 1 - Quality first Teaching differentiated curriculum for all learners.

Range 2 /3 - Interventions to enable children to work within age related expectations.

Range 3/4 - Additional Highly Personalised Learning.

Range 5- Specialist Provision

What are the different types of support available for children with SEND in our school?

a) Class teacher input via excellent targeted classroom teaching (Quality First Teaching) - Range 1

For your child this would mean:

- That the teacher has the highest possible expectations for your child and all pupils in their class.
- That all teaching is built on what your child already knows, can do and can understand.
- Different ways of teaching are in place so that your child is fully involved in learning in class. This may involve things like using more practical learning.
- Specific strategies (which may be suggested by the SENDCo) are in place to support your child to learn.

- Your child's teacher will have carefully checked on your child's progress and will have decided that your child has a gap or gaps in their understanding/learning and needs some extra support to help them make the best possible progress.

Specific group work

Intervention which may be:

- Run in the classroom or outside.
- Run by a teacher or a Teaching Assistant (TA).

b) Specialist groups run by outside agencies e.g .Speech and Language therapy

SEN Code of Practice 2014: School Support (SS) - Range 2+

This means they have been identified by the SENDCo/ class teacher as needing some extra specialist support in school from a professional outside the school. This may be from:

- Local Authority central services such as the ASD Outreach Team or Sensory Service
- Outside agencies such as the Education Psychology Service (EPS).

What could happen:

You may be asked to give your permission for the school to refer your child to a specialist professional e.g. a Speech and Language Therapist or Educational Psychologist. This will help the school and yourself understand your child's particular needs better and be able to support them better in school.

The specialist professional will work with your child to understand their needs and make recommendations as to the ways your child is given support.

c) Specified Individual Support - Range 3+

This type of support is available for children whose learning needs are severe, complex and lifelong.

This is usually provided via an Education, Health and Care Plan (EHCP). This means your child will have been identified by professionals as needing a particularly high level of individual or small group teaching.

This type of support is available for children with specific barriers to learning that cannot be overcome through Quality First Teaching and intervention groups.

Your child will also need specialist support in school from a professional outside the school. This may be from:

- Local Authority central services such as the ASD Outreach Team or Sensory Service
- Outside agencies such as the Speech and Language therapy (SALT) Service

For your child this would mean:

- The school (or you) can request that Local Authority Services carry out a statutory assessment of your child's needs. This is a legal process which sets out the amount of support that will be provided for your child.
- After the request has been made to the 'Panel of Professionals' (with a lot of information about your child, including some from you), they will decide whether they think your child's needs (as described in the paperwork provided), seem complex enough to need a statutory assessment. If this is the case, they will ask you and all professionals involved with your child to write a report outlining your child's needs.
- After the reports have all been sent in, the 'Panel of Professionals' will decide if your child's needs are severe, complex and lifelong. If this is the case they will write an Education Health Care Plan (EHCP). If this is not the case, they will ask the school to continue with the current level of support.
- The EHC Plan will outline the number of hours of individual/small group support your child will receive from the LA and how the support should be used and what strategies must be put in place. It will also have long and short-term goals for your child.
- An additional adult may be used to support your child with whole class learning, run individual programmes or run small groups including your child.

How can I let the school know I am concerned about my child's progress in school?

If you have concerns about your child's progress you should speak to your child's class teacher initially.

If you continue to be concerned that your child is not making progress, you may speak to the Special Education Needs/ Disabilities Coordinator (SENDCo) - Mrs Gates

The school SEND Governor can also be contacted for support.

How will the school let me know if they have any concerns about my child's learning in school?

If your child is identified as not making progress, the school will set up a meeting to discuss this with you in more detail and to:

- listen to any concerns you may have
- plan any additional support your child may need
- discuss with you any referrals to outside professionals to support your child's learning

How is extra support allocated to children and how do they progress in their learning?

- The school budget includes money for supporting children with SEND.
- The Head Teacher decides on the deployment of resources for Special Educational Needs and Disabilities in consultation with the school governors, on the basis of needs in the school.
- The Head Teacher and the SENDCO discuss all the information they have about SEND in the school, including the children already receiving extra support, other children needing extra support and the children who have been identified as not making as much progress as would be expected. They then decide what resources/training and support are needed.

Who are the other people providing services to children with SEND in this school?

School provision

- Teaching Assistants / Nursery Nurses working with either individual children or small groups
- Breakfast club / Afterschool club
- Learning Mentor
- Sports Coach

Local Authority Provision:-

- Autism Outreach Service
- Educational Psychology Service
- SENDIASS (Independent Advisory Service for parents)
- KS1 & KS2 Behaviour Support Service
- Language and Learning Team
- Healthy Heads Team

Health Provision delivered:-

- Additional Speech and Language Therapy input to provide a higher level of service to the school.
- School Nurse
- Occupational Therapy
- Physiotherapy
- CAMHS/CYPS

How are the teachers in school helped to work with children a SEND and what training do they have?

- The SENDCO'S job is to support the class teacher in planning for children with SEND.
- The school provides training and support to enable all staff to improve the teaching and learning of children, including those with SEND. This includes whole school training on SEND issues such as Autism Spectrum Disorder (ASD) and Speech and language difficulties.
- Individual teachers and support staff attend training courses run by outside agencies that are relevant to the needs of specific children in their class e.g. from the Autism Outreach Team (AOT) service.

How will the teaching be adapted for my child with SEND?

- Class Teachers plan lessons according to the specific needs of all groups of children in their class and will ensure that your child's needs are met.
- Support staff, under the direction of the class teacher, can adapt planning to support the needs of your child where necessary.
- Specific resources and strategies will be used to support your child individually and in groups.
- Planning and teaching will be adapted on a daily basis if needed to meet your child's learning needs.
- Reasonable adjustments will be made for your child where necessary

How will we measure the progress of your child in school?

- Your child's progress is continually monitored by his/her class teacher.
- His/her progress is reviewed formally every term in reading, writing and maths.
- At the end of each key stage (i.e. at the end of year 2 and year 6) all children are required to be formally assessed. In Year 2 this is through teacher assessment and

in Year 6 Standard Assessment Tests (SATS) are used in reading, *GSAP* and maths and teacher assessment for writing and science. This is something the government requires all schools to do and are the results that are published nationally.

- Children may have a Support Plan which will be reviewed termly and a future plan made.
- The progress of children with an EHC Plan is formally reviewed at an Annual Review, with all adults involved with the child's education.
- The SENDCo will also check that your child is making good progress within their termly review.

What support do we have for you as a parent of a child with a SEND?

- The class teacher is regularly available to discuss your child's progress or any concerns you may have and to share information about what is working well at home and school so similar strategies can be used.
- The SENDCo, Mrs Gates, is available to meet with you to discuss your child's progress or any concerns/worries you may have.
- All information from outside professionals will be discussed with you with the person involved directly, or where this is not possible, in a report.
- Support Plans will be reviewed with you every term.
- Homework may be adjusted as needed to your child's individual needs.
- A home/school contact book may be used to support communication with you, when this has been agreed to be useful for you and your child.

How is East Rainton Primary School accessible to children with SEND?

The building is accessible to all children including those with disabilities in line with DDA requirements. The school is on a split level. Three classrooms are on the same level. Two classrooms are only accessible by a small flight of steps but one of these has lift access. There are two disabled toilets for children one of which has changing facilities. There is also a shower area. An adult disabled toilet is located in the entrance area.

We ensure, wherever possible, that equipment used is accessible to all children regardless of their needs

Breakfast Club and After School provision is accessible to all children including those with SEND.

Extra-curricular activities are accessible for children with SEND.

How will we support your child when they are leaving this school? OR moving on to another class?

We recognise that transitions can be difficult for a child with SEND and take steps to ensure that any transition is as smooth as possible.

If your child is moving child to another school:

- We will contact the school SENDCO and ensure he/she knows about any special arrangements or support that need to be made for your child.
- We will make sure that all records about your child are passed on as soon as possible.

When moving classes in school:

- Information will be passed on to the new class teacher IN ADVANCE and in most cases, a planning meeting will take place with the new teacher. Support plans will be shared with the new teacher.
- If your child would be helped by a transition book to support them understand moving on then it will be made for them.
- A transition session, in which children visit their next class and teacher, takes place during the Summer term each year.

In Year 6:

- The SENDCO and Year 6 teacher will discuss the specific needs of your child with the SENDCO of their secondary school.
- Your child will do focused learning about aspects of transition to support their understanding of the changes ahead as relevant.
- Where possible your child will visit their new school on several occasions and in some cases staff from the new school will visit your child in this school.

What Emotional and Social Development support we have for a child with a SEND?

We recognise that pupils with SEND may well have an Emotional and Social Development need that will require support in school.

- The Emotional Health and Well-being of all our pupils is very important to us.
- We have a robust Safeguarding Policy in place, we follow National & LA Guidelines.
- We have a robust Pastoral Care Discipline Policy in place.

- The Head teacher, Deputy Head teacher and all staff continually monitor the Emotional Health and well- being of all our pupils.
- We have a Learning Mentor who provides individualised support to children where necessary
- We have an allocated Healthy Heads Primary Mental Health Worker
- We are an Anti- Bullying School.
