

## Instructions for Home Based Learning (Week 1)

### Step 1

Some pupils may have problems accessing the site due to internet parental controls and internet blockers. Parents/carers will need to unblock the site and/or allow it through the parental controls for their children to have access.

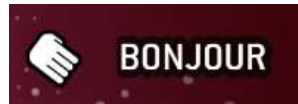

### Step 2

Choose the appropriate level for the work set by year group by clicking on the French flag in the appropriate box.

### Step 3

Year 5 – Elementary

Year 8 – Basic

Week 1

Once into the topic area, pupils are expected to use as many activities as possible to learn the new vocabulary and complete the relevant worksheet. It should be the first worksheet in the year pack provided. Each worksheet plus the vocabulary learning should take approximately two hours a week.

**Answers to the worksheets will be provided each Friday via the relevant google classroom.**
