

Ancient Egyptians

LO: to create a narrative of your day in an Ancient Egyptian style.

Ancient Egyptians left behind plenty of information about their lives and beliefs. They used art as a form of writing. Interpret an image from an old tomb then create your own picture depicting a scene which represents a part of your life.

If ancient historians found a picture from your life, what would it look like? Draw and colour below.

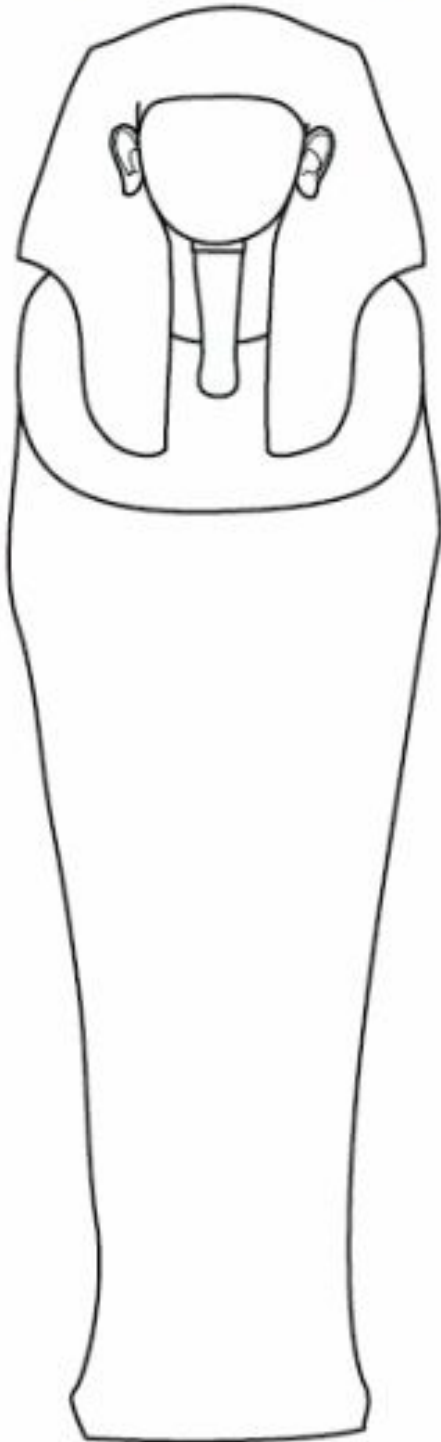

Description: _____

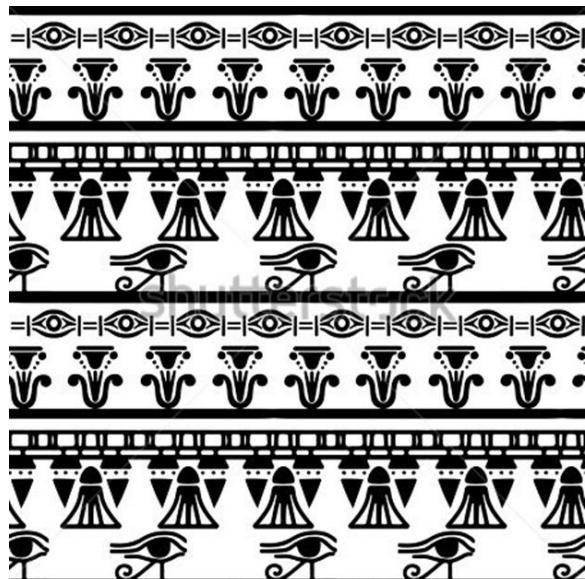

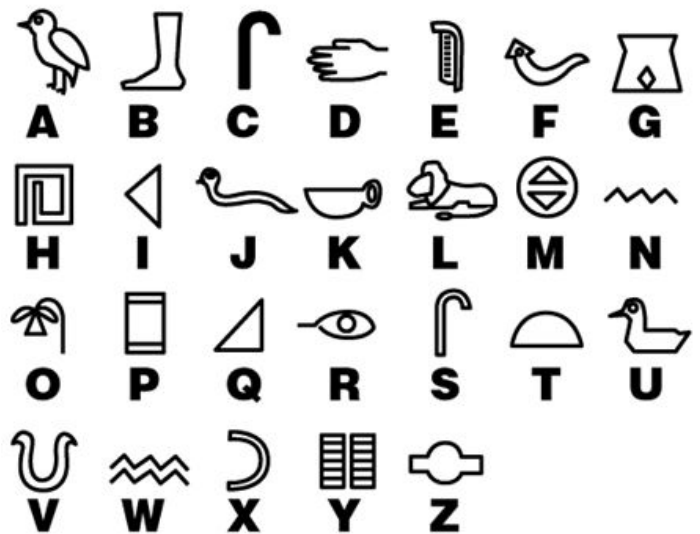

Ancient Egyptians

LO: to design a Sarcophagus using Ancient Egyptian designs.

TASK: In lessons we have been designing a canopic jar that our chosen organ or feeling can be kept safe in. You are now going to design your sarcophagus (the coffin the Pharaoh's mummified bodies were put in). Use the Hieroglyphics and Egyptian patterns to create it, be creative!
