Dear Parents/Carers

Possible reopening of school to more pupils in June

You will have seen in the news that schools may reopen on 1 June to reception, year 1 and year 6 pupils if the government thinks it is safe to do so.

We are waiting for further guidance and clarification from the government, which will hopefully help us to create an action plan for our phased reopening. As soon as we can, we will share details of what the school's reopening will look like in practice.

It is a very unsettling time for us all, but rest assured that we will be doing everything we can to make sure we are ready to receive more pupils if it is safe for our school to reopen in the coming weeks. However, we are also not going to be pressuring anyone to send their children to school; you know your children and personal situation best. We will keep you updated with our preparations for making sure the school is as safe as possible, so that you can make an informed decision.

In the meantime, the school is still open only for vulnerable pupils and the children of critical workers. We know some employers will be encouraging you to return to work, but we are not in a position right now to extend places to other children until we receive further government guidance.

We would like to thank you for your continuous support in helping your child learn from home. We will need to keep going with this for a while yet, so please do continue to do what you can and stay in touch with us about how your child is doing.

Yours sincerely

Miss Z J Linington
