

## **Our Behaviour and Attitude to Learning in response to Covid-19**

This is a strange time and the school you return to will not resemble Edward Peake before lockdown. We must put in place a wide range of processes so that everyone within our community is kept safe.

The safety of all of our community matters and is valued, we have an even higher expectation of how you conduct yourselves during this time.

Everything we do is in the best interests of individual pupils and the school community in terms of safety, wellbeing and expectation.

On your first day you will be taught the new expectations in terms of conduct in school and how we must all work together to keep us all safe. You have a key role in all of this. Below you will find the consequence and rewards staircases for Edward Peake up until Summer 2020. As government guidance is released we will review our procedures always with our community safety as our first priority.

## **Safe Caring Learning**

**Behaviour and Attitude to Learning** - The school policy will be followed as it stands with the following amendments:

**Social distancing** - Where possible the 2m social distancing expectation will be kept to in all circumstances.

**Physical Contact** - Is not acceptable within school and pupils will maintain the 'bubbles' and will not share any equipment unless it has been sufficiently cleaned. Breaks and lunchtimes will be staggered with each reduced group having specified outdoor 'pods' and will continue to observe the social distancing expectation, supervised by a member of staff.

**Movement around school** - Pupils will observe the expectations of social distancing wherever possible and will move around school following the one way systems where signposted, the staggered breaks and lunchtimes and the markers around school to indicate distancing and direction.

Pupils are not to gather in groups but always observe the 2m distancing expectation.

Where any pupil puts themselves or others safety at risk they may be required to remain at home.

**Toilets and hygiene** - Toilets will be able to be used by pupils one at a time (one in, one out) with supervision from outside by a member of staff. Hand sanitisers will be stationed outside for use on entry and exit of toilets. Frequent hand washing, and use of hand sanitisers is the new norm.

**Spitting or coughing** - Deliberately spitting or coughing at or towards any member of our community is unacceptable, the safety of our community is important.
