9 October 2020

Dear Parent/Carer,

## Contribution to Art and Design Technology Materials

At Edward Peake C of E Middle School we aim to provide the best for all pupils in all subjects.

However, in order to provide a wide range of materials, we do require additional funding. We would therefore like to request that parents/carers make a voluntary contribution of £5.00 (this would be for the entire academic year).

This would enable your child to have materials provided for them without incurring any further payment to take their finished products home, which is current practice in other middle schools.

Please can you make a payment via the Gateway or complete the attached slip and return to school by Friday 23 October 2020, making cheques payable to Edward Peake Middle School.

If the school receives pupil premium funding in respect of your child, the contribution will be taken from that funding.

If the school does not receive pupil premium funding in respect of your child and you have any problems in providing the contribution, please contact me at school to discuss the situation.

Thank you.

Jane Febery-Watts,  
Finance Manager.
