Dear 6CT and Parents/Carers

Do you remember the letters you wrote at the beginning of term informing our local MP, Mr Richard Fuller, of the positives you found in lockdown and how what you have learnt could improve our local community?

I am really pleased to inform you that Mr Fuller was so impressed with your writing and ideas that he telephoned me on Monday evening to say thank you and to let me know his plans.

On Wednesday, at midday, he will be attending the Prime Minister's Question Time and is hoping to mention our work to Boris Johnson. Mr Fuller is also wanting to arrange an interview with us on Three Counties Radio when we return to school.

He said, *"My hope is not only to highlight the good works of the school but to provide the class with a sense that their thoughts and actions can have a real impact with people, such as the Prime Minister, who are in powerful positions of authority."*

I will be recording the Prime Minister's Question Time, so if you are not able to watch it don't worry and I will keep you updated with any further news.

Thank you so much for all the hard work and effort you have put into your writing this term. It is unfortunate that we now find ourselves away from the classroom but at least we have this exciting event to look forward to on our return.

Keep learning, keep safe, and caring about the world around you.

All the best
