Dear Parent/Carer

Following the Prime Minister's most recent announcement, it looks as though we will be continuing to educate the majority of our pupils remotely and that the majority of you will be home schooling whilst also trying to work from home yourselves. I wanted to take this opportunity to thank you for your efforts in this regard - it's a very difficult time for everyone and we are all facing different challenges. I hope that you have felt well supported by Edward Peake - please do let us know if you feel that we can do something differently that might help you and your family.

I have sent a brief questionnaire via Google Forms to gather your views so that we can continue to develop and improve our remote education package. The link is below:

A number of you have contacted us with concerns about whether you are doing 'enough'. You are, you really are. We do have high expectations of our pupils but equally, we understand that everyone is in different circumstances and all anyone can do is their best.

We will continue to keep you updated regarding the full reopening of schools but we tend to hear messages from the Government at the same time as you! We are really looking forward to having all of our pupils together again.

Yours sincerely

Miss Z J Linington
Headteacher
