Stratégie 2

High Frequency words

High-frequency words are **powerful** words which crop up again and again.

They are often only short, but they are really useful: *je*, *tu*, *le* and *et* are all in the Top 20 of most used French words.

High-frequency words can be used in any situation.

Make a point of learning these words and see which ones you can spot and use whenever you start a new topic.
