## Stratégie 5

## Memory techniques

Here are a couple of techniques to try – see if they help you remember vocabulary.

- 1 Link the French word with an English sentence that helps you remember its meaning.  
e.g. The French word for 'market' is *marché*. So you could think of a sentence like 'I like to **march** around the market'.
- The French word for 'if' is *si*. So you could think of a sentence like '**See if** you can remember what *si* means'.
- 2 Make a **mnemonic** to help you with tricky spellings.  
e.g. to learn to spell *piscine*, you could remember the phrase  
**P**ools In **S**cotland **C**ontain **I**ntelligent **N**ervous **E**els  
Think of your own examples for some words from the module. The sillier, the better!
