

Year 7 2024-5	Autumn Term 75 day term 7.5 weeks and 7 weeks	Spring Term 60 day term 6 weeks and 6 weeks British science week KS3 Crest award 7-16 March. Theme this year is Change and adapt.	Summer Term 60 day term 4.5 weeks and 6.5 weeks
ACTIVATE I	Working Scientifically Biology B1 Cells Chemistry.C1 Particles and their behaviour Chemistry. C2 Elements, atoms and compounds Physics. P1 Forces	Chemistry. C3 Reactions British Science Week Biology B2 Structure and function of body systems Physics P2 Sound Physics P3 light	Physics P4 Space Chemistry C4 Acids and Alkalis Biology B3 Reproduction END OF YEAR ACTIVATE ASSESSMENT Rewilding project work

Year 8 2024-5	Autumn Term 75 day term 7.5 weeks and 7 weeks	Spring Term 60 day term 6 weeks and 6 weeks British science week KS3 Crest award 7-16 March . Theme this year is Change and adapt.	Summer Term 60 day term 4.5 weeks and 7.5 weeks
ALL ACTIVATE 2	<p>Working scientifically</p> <p>Physics P1 Activate 2 Electricity and Magnetism</p> <p>Biology B1 Activate 2 Health and Lifestyle</p> <p>Chemistry C4 Activate 2 The Earth</p>	<p>Physics P2 Energy</p> <p>British Science Week</p> <p>Chemistry C1 Activate 2 The periodic table</p> <p>Chemistry C3 Activate 2 Metals and other materials</p> <p>Biology B2 Activate 2 Biological processes</p>	<p>Physics P3 Activate 2 Motion and pressure</p> <p>Biology B3 Activate 2 Ecosystems and adaptation</p> <p>Biology B4 Activate 2 Inheritance</p> <p>Chemistry C2 Activate 2 Separation techniques</p> <p>End of year assessment</p>

**Year 9
2024-5**

Autumn Term
75 day term
7.5 weeks and 7 weeks

Spring Term 60 day term
6 weeks and 6 weeks
British science week **KS3 Crest award 7-16
March. Theme this year is Change and adapt.**

Summer Term 60 day term
4.5 weeks and 7.5 weeks

ACTIVATE 3

B Working scientifically 2-3 lessons

Biology B1 Activate 3 Cells

Chemistry C1 Activate 3 Particle model and state change

Physics P1 Activate 3 Forces and motion

Biology B2 Activate 3 Cell Systems

Chemistry C2 Activate 3 Atoms and the Periodic Table

Physics P2 Activate 3 Energy

Biology B3 Activate 3 Fertilisation and implantation

Chemistry C3 Activate 3 Chemical changes

Physics P3 Activate 3 Waves, sound, and light

Biology B4 Activate 2 Variation and natural selection

Chemistry C4 Activate 3 Useful chemical reactions

Physics P2 Activate 3 Energy

End of year assessment
