Mason, Jamie, Alyssa, Ruby, Dylan (Year 6)  
Jim, Jack, Matteo, Finlay, Jessica (Year 7)  
Leeya, Tia, Archie, Hannah (Year 8)  
Well done to all!

### Values Day

The top 20 values for 2021-2023 as chosen by the school community are:

1 Respect	6 Trust	11 Justice	16 Humility
2 Love	7 Endurance	12 Empathy	17 Curiosity
3 Compassion	8 Friendship	13 Hope	18 Helpfulness
4 Peace	9 Kindness	14 Courage	19 Thankfulness
5 Honesty	10 Resilience	15 Service	20 Koinonia

On 8 July the school will be having a day off timetable to take part in a variety of values activities. The children will be participating in activities they have chosen which either explore the chosen values or are outreach activities which show our values to others.

One of the groups will be making bookmarks and friendship bracelets for the 'Hands at Work' care point at Mafambisa, South Africa. Over the last 6 years, we have joined with St Andrew's Church in sponsoring the children at the care point so they have food, health care and schooling. In order to raise funds for this important work, we are having a non-uniform day on 8th July. Please wear something in the colours of the South African flag: Red, white, green, yellow, black or blue. A suggested £1 donation can be paid through the school gateway. Clothing for day should be something appropriate for the activities that pupils are taking part in. Normal rules apply for non-uniform day.

### Kindness

"A smile is the light in your window that tells others that there is a caring, sharing person inside."  
Denis Waitley

- Kindness is showing empathy to others without judgement
- Kindness is understanding each other's feelings
- Kindness is listening to each other's problems and concerns
- Kindness is looking after one another and the world

Perhaps you could try to:

- Be kind and helpful to all
- Try to look at things from another point of view
- Listen to what other people have to say
- Look after one another and your surroundings
