22 October 2021

Dear Parent/Carer

Covid-19 Lateral Flow Home Testing

Thank you for your continued support with Covid-19 lateral flow home testing.

We know how important it is for you to be able to send your child/children to school.

You should continue to test your child/children at home and [report](#) results twice a week, throughout the October half-term school holiday and take a test before returning to school. All results should be reported, even if your result is negative or void.

Pupils will be given a set of test kits to bring home today. You can help them to take the test and report their results. Testing is free of charge. If you do still require more home testing kits to continue testing over half term, you can also order more [online](#) through gov.uk or collect from your local pharmacy.

By testing your child twice a week over half term, you will help us to reduce the transmission of Coronavirus, keep children in school and ensure that the school is able to remain open to minimise disruption to their education and to you and your household.

Please contact Miss Butchard, our COVID Coordinator, if you have any questions or concerns about home testing.

Yours sincerely

Miss Z J Linington
Headteacher
