

Edward Peake School Humanities Department History Concept map

<i>Cause and Consequence</i> - why things happen and why people do what they do.	<i>Change and Continuity</i> - exploring the extent and pace of change, and who the progress was for.	<i>Similarity and Difference</i> - exploring the differences between time periods.
<i>Significance</i> - judgements about what is significant and how it has changed.	<i>Interpretations</i> - constructing our own arguments using what we know about the past.	<i>Evidence</i> - using evidence to understand the past.
