Dear Parents / Carers,

We are excited to share that we have been chosen as one of only a handful of schools in the area to work alongside Bedford Creative Arts on a project titled '*Our Natural Blue Spaces*'. This involves a week-long project working with artist Kremina Dimitrova to produce a map of the River Ivel in our locality and a charter on how we can look after our blue spaces.

On Monday 3 June all students in year 5 will be taking part in an assembly by The Canal & River Trust regarding water safety. They will also be taking part in a 'build a canal' workshop. We have been informed this will involve rubber granules and therefore if your child has a rubber or latex allergy that we are not already aware of then please let us know as soon as possible.

During the day they will also undertake a walk to the River Ivel to sketch and study the local area.

The work that is produced will be displayed on Friday afternoon for parents and carers to view and also at the Leighton Buzzard Canal festival on Saturday 27 July.

Yours sincerely
