20 June 2024

Dear Parents and Carers,

On Thursday 27 June 2024, Year 6 have an exciting build workshop planned. KAPLA Clubs School workshop is a unique, 3D hands on learning activity where every single child participates. The classes will work on a specific construction under the guidance of a KAPLA expert. At the end of the day, the children will have their own unique exhibition, a sort of a museum display, showcasing each child's artistic contribution to a monumental masterpiece.

For this experience, there is no cost to parents or carers. However, for the pupils to get the most out of the opportunity, we are requesting parent or carers support. Throughout the day we ideally need 4-5 parent or carer helpers. If you are able to support in the morning, afternoon or all day, then please complete the Google Form below. We would greatly appreciate this support!

It is set to be a great day of building with the Year 6 children. This is a video link of the KAPLA build workshop completed at a primary school so you can get an insight into the day:

If you require more information about the day, then please contact me via the school office.

Yours sincerely

Mr Hodgson
Year 6 Teacher
