Friday 5 July Parents are invited	The annual fun run will take place in the afternoon. An ice cream van will be on site for visitors and pupils that wish to bring money and purchase an ice cream or lolly during the afternoon. Parents are invited to watch the fun run. A coffee van will be on site during the afternoon for visitors and staff to purchase teas and coffees.	<u>Pupils may come to school in their own sportswear</u> Children may bring fancy dress items which they can change into for the fun run. Items should be brought to school in a named bag to be put on after lunch.

Key information

'Sport for All Day' marks the culmination of the house sport calendar. All pupils will compete for their house in a number of different sports during the day. As usual, they have had the opportunity to select their events during their house assembly this term. The activities range from traditional athletics events and team sports to more diverse activities such as board games, bowls and OAA problem solving.

The 'Annual Fun Run' will take on a different format this year due to the large number of pupils we now have in school. Each year group will start and participate in the event at different locations around the course. The 1km route will allow pupils to count their laps and convert them into KM's. We hope that as well as taking part on the day, pupils will also get as many sponsors as possible. Every contribution, however big or small, is really important to us and will be gratefully received!

Logistics and parent involvement

Parents/carers are welcome to watch the fun run on Friday 5 July. We would love to see you on what we hope will be an exciting and fun filled day for our community. For those of you planning to attend, a brief guide to our school access arrangements is shown below for your convenience:

Registering for a ticket

Each family is permitted two adult tickets only. Infants in a buggy are exempt.

Arrival and departure

Parents and carers should arrive between 1.30pm-1.45pm. Please note the KS2 pedestrian gate will be locked after this time slot. Please do not arrive too early as this will create congestion at the school gate. Parents and carers will need to depart the school site at 3:00pm when pupils return to class. Pupils will not be permitted to leave the school before 3:20pm.

Parking

Our car park is usually very full during the school day so parking will be unavailable. Please try to walk to school if at all possible. The main school gates will be closed for the protection and safety of our pupils, staff and visitors; please access the site via the KS2 pupil pedestrian gate.

On arrival

Upon entering the school site, please report to a member of the safeguarding team at the sign in desks. You will then receive your visitor's booklet and seating location. Please be aware that you will be required to present a form of identification. This could be a driver's licence, passport or bank card.

During the event

Various spectator seating is available, please see your map for the locations on the day. Take a seat in the viewing station and enjoy watching the race. Feel free to bring snacks and refreshments with you.

A Coffee van and an Ice Cream van will be on site during the afternoon if you prefer to purchase refreshments. Toilets and a suitable space for baby changing are available in the PE department.

Photography, mobile phones and social media

We look forward to seeing you next week, and ask that no photographs are taken of the event in line with our safeguarding policy. Photographs and media posts should not be shared on social media.

Please note video recordings of children are not permitted. Both events will be celebrated via the main school Twitter account and the specialist PE account.

Conduct

Please remember that we are a no smoking/vaping site and that the consumption of alcohol is not permitted at this event. As always, the safety of our pupils and staff is paramount; we have the right to ask any visitor to leave the school site if we feel they are being verbally abusive or using inappropriate language.

Pupil information

For the week to run smoothly, all pupils (including those who are currently injured) will need to come to school in their Edward Peake PE kit (navy blue or black jumper, black shorts, PE polo shirt, socks and trainers).

To make the 'Annual Fun Run' even more of an occasion, the pupils can choose to run in fancy dress rather than their PE kit; additional house points will be awarded for the best costumes! (Please remember that costumes must be appropriate and suitable for running outside!).

On the day of the fun run pupils will be able to come to school in their fancy-dress costume or non-uniform; if their costume has large accessories, these must be brought to school in a named bag. This year we are asking all pupils to return their sponsor forms and donations before the end of the Summer Term.

Preparing for the weather

Pupils will need a water bottle to keep hydrated throughout the day and sun cream and a hat to ensure they remain comfortable in the sunshine.

Yours sincerely

Mr A Carter
Subject Leader for PE
