03 July 2024

Dear Parent/Carer

## Values Day 2024 – Wednesday 10 July 2024

On Values Day the whole school community will be considering our Christian values in greater depth during the day's activities.

Throughout the day children will be taking part in a variety of activities from gardening and cookery, to posters and singing in the local care homes. Each activity will enable the children to think about their personal values or how they can reflect the school values both within school and the local community. Children will have the opportunity to select their activities prior to the day.

We have joined St Andrew's Church in supporting 'Hands at Work' and in particular a care point in Mafambisa, South Africa. The care point provides food, medical care and help with education for orphaned children in that area of the country. It costs around £150 per year to sponsor one child and in the past, we have raised over £1200.

On this day, the children are able to come in their PE kit or non-school uniform with the colours of the South African flag (black, green, yellow, white, red or blue).

If your child would like to wear non-school uniform, please either donate £1 on the school gateway or bring in cash on the day, so we can help more children in Mafambisa.

Please be mindful to wear clothing which is appropriate for school and the planned activities. No football tops, no cropped tops/hot pants, no coloured hair, no jewellery, make up or nail varnish, hair that is longer than collar length is required to be tied up as usual.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Z Linington'.
